Teaching

- Fall 2022 **Instructor**
Demography Workshop, University of California, Berkeley
- Fall 2020 **Guest Lecturer**
Global Health Research Methods course, University of Toronto Dalla Lana School of Public Health
- Fall 2016 **Course Development Advisory Board Member**
“A Public Health View of the Carceral System: Past, Present, and Future,” Columbia University Mailman School of Public Health
- Spring 2015 **Instructor**
Family Stars Program, HIV Center for Clinical and Behavioral Studies, Columbia University
- Fall 2014 **Lead Teaching Assistant**
Foundations of Public Health, Columbia University Mailman School of Public Health
- Fall 2014 **Instructor**
Family Stars Program, HIV Center for Clinical and Behavioral Studies, Columbia University
- Spring 2013 **Science Teacher**
Sonrise International School, Ghana

Research

- 2019 **Researcher and Health Expert**, United States Agency for International Development/Integra LLC
Principal Investigators: Yao Lu (Columbia Sociology) and Daniel Naujoks (Columbia International and Public Affairs)
- 2018 - 2021 **Graduate Research Assistant**, Department of Epidemiology, Columbia University
Principal Investigator: Lisa Bates
- 2017 - 2018 **Graduate Research Assistant**, Department of Sociology, Columbia University
Principal Investigator: Peter Bearman

- 2016 - 2017 **Project Director**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University
Principal Investigators: Amy Fairchild and Merlin Chowkwanyun
- 2015 - 2016 **Project Coordinator**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University
Principal Investigators: Amy Fairchild and Ronald Bayer
- 2014 - 2015 **Graduate Research Assistant**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University
Principal Investigator: Amy Fairchild
- 2014 **Graduate Research Assistant**, HIV Center for Clinical and Behavioral Studies, Columbia University
Principal Investigator: Katherine Elkington
- 2009 - 2012 **HIV Testing and Counseling Program Coordinator**, Department of Emergency Medicine, Johns Hopkins Medicine
Principal Investigator: Richard Rothman
- 2009 - 2012 **Research Assistant**, The National Center for the Study of Preparedness and Catastrophic Event Response, Johns Hopkins Medicine
Principal Investigator: Richard Rothman

Skills

Statistical analysis: Fluent in R, Proficient with SPSS, SAS, Stata, Qualtrics

Qualitative analysis: Proficient with ATLAS.ti, Dedoose, NVivo

Document preparation: Proficient with LaTeX, Microsoft Office, Markdown

Reference managers: Proficient with EndNote, Mendeley, Zotero

Systematic reviews: Proficient with Covidence

Version control: Familiar with Git, GitHub

Spatial analysis: Familiar with Geoda, QGIS, R

Languages: English, Hebrew, Spanish

Professional memberships

- 2020 - Present Population Association of America
- 2018 - Present American Sociological Association
- 2017 - Present Interdisciplinary Association for Population Health Science

2015 - Present American Public Health Association

Affiliations

2021 - Present Research Affiliate, Berkeley Interdisciplinary Migration Initiative (BIMI)

Academic Service

Department

2015 - 2016 Writer and Editor, *SMS Weekly* (Departmental weekly newsletter),
Department of Sociomedical Sciences, Columbia University

2015 - 2017 Leadership team member, Incarceration and Public Health Action Network
Department of Sociomedical Sciences, Columbia University

University

2013 - 2015 President and Founding Member, Association for Justice and Health,
Columbia University
